

## A Message from the SMP Health - Maryhill Auxiliary

As we approach the Christmas season, the Auxiliary is once again sponsoring our "Tree of Lights" fundraiser. For years, this has been the major source of funds for Maryhill projects and helps us do many worthwhile activities for the residents of Maryhill. All the money that is raised from our fundraisers is used strictly for the added comfort and enjoyment of our residents. This year, we have a capital campaign project to renovate the west tub room to enhance the bathing experience for all residents to enjoy. The west tub room was an addition to the facility in 1984. Having this space, which is strictly used for residents, would add extreme value to their bathing experience by creating a spa like atmosphere. In the past "Tree of Lights" donations made possible: carpet replacement, new furniture, televisions/stands for resident rooms, outings to FM Redhawks baseball games, visits to the Enderlin Fine Arts summer musical production, subscriptions to the area newspapers, unique Christmas gifts for each resident, and special musical entertainment. None of this would be possible without your generosity and help. Your continued support for the "Tree of Lights" will help us carry on our mission of healing and further enhance the lives of the residents at Maryhill in 2023, and beyond!

Our "Tree of Lights" will be proudly displayed in the porch area of Maryhill, with the honored or remembered person's name displayed with it. Sadly, again this year we are unable to host our Christmas open house. However, we look forward to decorating the building and having a party with our residents where we will recognize all "Tree of Lights" donations.

If you have any suggestions for projects or events that would benefit Maryhill residents, please contact us. The Auxiliary is a very dedicated, worthwhile group that provides members the unparalleled honor of making someone's day. Thank you for your continued support!
