

Messages from SMP Health - Maryhill

A Newsletter for Maryhill Families

January 2023

Dear Family and Friends,

Happy New Year!

To everyone who has helped us through to 2023 – friends, neighbors, healthcare heroes, essential workers, customers, coworkers, community leaders, and residents of Maryhill. Thank you! We appreciate your support, and we look forward to sharing a brighter, happier, and healthier new year together.

Best Wishes and Happy New Year from All of Us at Maryhill to All of You!

Few Updates:

- As we move into 2023, we will be using Cliniconex, an automated family notification system. We will share important news facility wide along with updates for loved one's appointments. Please know that weather might impact the safety of appointments, and these will be rescheduled for another date. We will inform you if there is a change due to weather. One area we would appreciate your assistance is if you are called/aware of having appointments that have been cancelled or rescheduled from an outside provider give Shannon Mark a call or send her an email. Shannon phone: 701-437-3544 ext. 127 and email: Shannon.mark@smphs.org. Thank you!
- We are wrapping up our annual Tree of Lights Fundraiser. The Tree of Lights has been displayed in the porch area of Maryhill during the Holiday Season. If you would like to make a donation in memory of or in honor of a loved one, you can send it directly to SMP Health – Maryhill, 110 Hillcrest Dr. Enderlin ND 58027. This year's donations will be used to renovate the west tub room bathing experience to create a spa like atmosphere for the residents to enjoy.
- North Dakota Long-Term Care association provides residents/family members an opportunity to honor and recognize special people at Maryhill who care for you or your loved one. Attached is an application to nominate a caregiver who goes above and beyond to substantially enhance the quality of life for the residents. **Applications must be postmarked by Friday, February 4th, 2022.**

Covid-19/Vaccination/Infection Control Updates

Please remember that masking is required while in the facility hallways and hand hygiene is extremely important. If you are experiencing any COVID-19 symptoms, please stay home to reduce any exposure to the residents. Visiting with loved ones in the main dining room/living room is not allowed at this time. We are trying to protect other residents as much as possible and ask that when you are visiting to stick to a family room or your loved one's room. Thank you for the support in our effort to keep everyone as safe as possible.

Please note when coming into the building, please ensure the handle is pulled down all the way so the door reengages. Remember when leaving the building the door will be activated to alarm if you press on the push bar without pushing in the code first. Each time you leave the building you will need to put the code **EXIT# (3948#)** into the panel on the left-hand side to unlock the door without them alarming. Please know that if you hold the door open for an extended period of time it will alarm. So, put the code into the system and walk through the doors so they can shut again. The code will be posted on the wall in a safe manner, so you don't have to remember it.

In Our Memories

We extend our sympathy to the families and friends of this special person who had become part of our Maryhill family and has died in the past month. We treasure our memories with them and pray that God will be with their loved ones at this time of loss. We will remember....

Janet Lewis, 1942 – 2022

Stay healthy and God bless,
Bailyn Walz, CEO/Administrator
