Giving Hearts Day:

We are participating in our first year of Giving Hearts Day at Maryhill on February 8th, 2024. Dakota Medical Foundation started Giving Hearts back in 2008 as a simple but unique fundraising concept which has grown and become one of the longest running and most successful giving days in the country. This is a 24-hour fundraising event and every contribution of \$10 will be matched. Our generous match providers are Interim Staffing, Mobility Plus, Thrifty White Drug, Enderlin Lions, and Enderlin Alumni Association. Your donations have great impact which Maryhill will be using all the donated fund through Giving Hearts Day to purchase medical grade blanket warmers.

Three ways to Give on February 8th:

1. Online at <https://app.givingheartsday.org/#/charity/1767>
2. Schedule your GHD in advance through the online link

Thank You for Your Generous Donations

Thank you for your generous donations to our Tree of Lights fundraiser! Your support is greatly appreciated and allows us to continue to provide a comfortable environment and quality living experience for our residents. Your contributions helped us raise over \$7,000!

We have been very fortunate with the weather this winter, but please know we continue to keep close tabs on any bad road conditions before we go on appointments or outings related to activities. If any appointments need to be rescheduled due to the weather, we will keep you informed.

Masking continues to be optional at this time for residents, visitors, vendors, and staff. You must wear a mask if you are symptomatic with any respiratory illness such as runny nose, coughing or sneezing. Masks will continue to be provided at all entrances. We also have hand sanitizer outside each room that we encourage you to utilize to help us keep everyone healthy in the season when illnesses spread easily. Please continue to check in to obtain a visitor badge prior to entry on the screening machine out front.

Stay healthy and God bless,
Bailyn Walz, CEO/Administrator
