

Tree of LIGHTS

As we approach the Christmas season, the Auxiliary is excited to announce our annual “Tree of Lights” fundraiser. This event has been a major source of funds for Maryhill projects, helping us enhance the lives of our residents through various activities and improvements. This year, we plan to upgrade some of our rooms within the facility (flooring, recliner/furniture). All the money that is raised by our fundraisers is used strictly for the added comfort and enjoyment of our residents.

Your continued support for the “Tree of Lights” will help us carry on our mission of healing and further enhance the lives of the residents at Maryhill in 2025, and beyond! Our “Tree of Lights” will be proudly displayed in the main hallway of SMP Health - Maryhill, with the honored or remembered person’s name attached to a bulb.
