

June Newsletter 2026

As we welcome the month of June, we are looking forward to sunshine, fresh air, blooming flowers, and more opportunities to create meaningful moments together at SMP Health – Maryhill. Summer brings a special energy to our home, and we are excited for the activities, visits, celebrations, and time outdoors that this season brings for our residents, families, and staff. Thank you for the trust you place in us each day and for being such an important part of our Maryhill family. Continue to check out our Facebook page and we hope this newsletter helps keep you connected to all the wonderful things happening throughout our facility.

Fundraiser:

Coming this July, SMP Health – Maryhill will be hosting our *Resident Room Renovations Calendar Raffle Fundraiser!* Ticket sales will officially begin in June as we continue our “Spaces that Feel Like Home” project focused on creating more comfortable, welcoming, and home-like living spaces for our residents.

Thanks to the incredible generosity of our community, donors, families, and fundraising efforts, we have already completed 18 resident room renovations. To fully complete the remaining rooms, we still need approximately \$45,000 in funding. Every ticket purchased helps move this meaningful project forward and directly impacts the quality of life of the residents who call Maryhill home.

Only 1,000 tickets will be sold, and daily cash prizes totaling \$3,500 will be awarded throughout the month of July. Tickets are \$10 each, and winners do not need to be present to win.

We are so grateful for the continued support of our mission and appreciate everyone helping us make these important improvements possible for our residents and families.

26 \$75	27 \$125	28 \$100	29 \$50	30 \$150	31 \$100	

\$10

TOTAL CASH PRIZES AWARDED: \$3500

Happy Father's Day:

The doctor says to take IRON every day and to live on GREENS. Happy Father's Day wishes to all dads. Enjoy the wonderful memories with your families.

Enderlin's All School Reunion June 25th – 28th: We will be offering tours on June 26th from 1:30pm to 5:30pm as a fun way to allow the community to see Maryhill. Additionally, Steve Worner will be performing at 2pm so come enjoy the music with your loved ones.

Antibiotic Stewardship:

Antibiotics save lives but are frequently prescribed unnecessarily. Harms from antibiotic overuse can be significant, especially for frail older adults. Potential harms include adverse drug events, drug interactions, antibiotic resistance and Clostridioides difficile infections.

As part of our continuing commitment to provide the best quality care to our residents, we are dedicated to improving antibiotic use through our antibiotic stewardship initiatives. Antibiotic stewardship refers to a set of commitments and activities designed to “optimize the treatment of infections while reducing the adverse events associated with antibiotic use.” From an infection standpoint, we follow McGeer Criteria to trigger when appropriate testing is required, and the individual must meet two different signs and symptoms otherwise monitoring and implementing other interventions should be utilized first. Having the culture provides the prescribing provider which antibiotic is most appropriate for that organism if treatment is required. Plus, we don't want to treat a negative culture as antibiotic use is hard on the individual's body.

We are committed to improving antibiotic prescribing practices. We are confident that with the support of front-line staff, prescribing clinicians, and residents and families, we will continue to provide residents with the best quality care by improving antibiotic use and protecting them from the unintended harms of inappropriate antibiotic use.

Building Updates:

We got new siding installed on our garage at Maryhill – a big thanks to the Curb Appeal City Grant for helping us accomplish this much needed improvement.

In Our Loving Memory... We extend our heartfelt sympathy to the families and friends of those who were part of our Maryhill family and have passed away this past month. We treasure the memories shared with them and pray for comfort and peace for their loved ones during this time of loss. They will always be remembered with love and care.

Rose Bjordahl – Lorraine Ginsbach

Stay healthy and God bless,
Bailyn Hildestad, CEO/Administrator
