Dear Community Members!

As we approach the close of another remarkable year, we wanted to take a moment to express our gratitude, as SMP Health - St. Andrew's and the Foundation Department, we have been privileged to serve you, and together we have made significant strides towards fostering a healthier and stronger community. This year has been filled with achievements that reflect our collective commitment to health. From successful campaigns, health-awareness events, and community health initiatives, plus much more, we have witnessed the power of collaboration. The health and wellbeing of our community remains at the forefront of our mission, and we are committed to continue to strive to maintain the highest of services available to you.

We extend our heartfelt appreciation to the dedicated volunteers and generous supporters who have contributed their time, resources, and expertise to our facility efforts. Your commitment has played a vital role in the success of our programs, and we are profoundly grateful for your unwavering support.

The St. Andrew's Foundation department was established in May 1989 with the philosophy of providing support to the health center and its ability to meet the future health and wellness needs of the community and surrounding areas, today and tomorrow. This time of year, the Foundation provides our supporters with some gift-giving opportunities, which helps our facility achieve these goals. The Foundation is a 501(c)3 and will issue all supporters the appropriate documentation so that your donation may be tax exempt. We would appreciate your support, through one, or all the following gift-giving opportunities:

- ~Twice Blessed
- ~Lights of Love
- ~1913 Club
- ~Cash donations to be utilized as needed or restricted by the donor.
- ~Memorial donations to memorialize or honor of your loved one(s).

****TWICE BLESSED CAMPAIGN*** is brought to us by Inspiritus Community Health Foundation (formerly known as St. Joseph's). This is an opportunity for St. Andrew's to double our blessings during this campaign. This year we will be utilizing these funds for purchasing new ADHA handicapped-accessible outdoor furniture. These new pieces of furniture will help us provide our patients with a more inclusive, socially engaging environment while providing additional safety for our patients while they enjoy the outdoors during the nicer weather. Those who donate from November 15-December 31, your gifts are eligible to be matched!

To donate to this campaign, visit online at: inspiritnd.com/project/smp-health-st-andrews-bottineau/ or contact Koni for more options.

***LIGHTS OF LOVE** is a program that has been ongoing for now 17 years, with the intent to recognize your loved ones by purchasing a “string” of lights on our Christmas tree, in their memory or honor.
