

SMP Health

St. Andrew's

Community Health Needs Assessment Action Plan

2026

 10/20/2026

1. Recruiting Primary Care Providers

- St. Andrew's is working with 3RNET and the Center for Rural Health ant UND 12-25
- Hire a direct recruiter 12-25
- St. Andrew's hired Dr. Harish Sharma via a recruiter though he has resigned effective Nov. 26.
- We continue to utilize 3RNet

2. Strengthen Access to Preventative Care

- St. Andrew's has expanded access and promoted Cologuard for colon cancer screening 10-26
- St. Andrew's has started to utilize self administered Pap Smears for women who are uncomfortable with the standard procedure 10-26

3. Build a Stronger Value Based Care Program

- St. Andrew's is working to increase our number of Annual Wellness Visits and this number is reported to our Quality Improvement Committee 10-26
- St. Andrew's participates in Wellvana JOC meeting to assist in increasing Annual Wellness Visits, Chronic Care Management, and closing open Care Gaps 10-26
